FAQ

When is my bonus paid?

- Bonus will be attributed as soon as your deposit is confirmed on your Account. It can be instantly for deposits made with debit/credit card, or take up to 3-business days for bank transfers.

Where should I enter this code?

- Make sure to insert the code when topping up your Account. When selecting the amount to deposit, you should see a field "Promo code" right below. Go ahead and give it a try!

What if I have a referral?

- Users that register using a referral code can only apply promo codes after their referral bonus is paid.
- First deposit promotions are only valid for users that don't register with a friend referral.
